

The Centre for Studies in Aging & Health

“Empowering Older Adults: Opportunities & Possibilities”

May 25, 2018: 8 AM to 4:30 PM

This year's conference will focus on social isolation, poverty, and age-friendly communities. Keynote speaker [Dr. Parminder Raina](#) will speak to these themes as he shares findings from the Canadian Longitudinal Study of Aging.

- Please mark the date on your calendars and consider registering to secure the early-bird and student rates [Eventbrite Registration](#)
