

Call for Poster Abstracts

“Empowering Older Adults: Opportunities & Possibilities”

We invite undergraduates, graduates, and researchers to submit an abstract for a poster presentation on their research on **aging** for the upcoming conference being held at Providence Care Hospital in Kingston on May 25th 2018. Information about the conference is at [Empowering Older Adults: Opportunities and Possibilities](#) or at sagelink.ca

Dates & Deadlines

- Abstract submission deadline: **Monday April 30, 2018**
- Notice of acceptance (via email) will be sent to contact author: **May 4, 2018**
- Authors must indicate their acceptance to present a poster: **May 11, 2018**

General Guidelines

Abstract Submission

1. Poster abstracts must describe original work, but may have been presented at other conferences
2. Abstracts are to be typed in Arial size 10 font.
3. Abstracts are to be no longer than 250 words, in English and submitted in a Word document.
4. Abstract content should include:
 - a) Title of abstract
 - b) Purpose/goal of research
 - c) Methods including statement of ethics approval
 - d) Results/findings
 - e) Discussion
 - f) Conclusion
 - g) Acknowledgements (including disclosure of grant or financial support)
5. **Email completed abstracts to hawleykg@providencecare.ca** with the subject line: “Abstract Submission 2018”. The email should include:
 - a) Title of abstract
 - b) Authors and affiliations
 - c) Contact author’s name and email address

Poster Display

Authors are responsible for printing their own poster (4ft width x 3ft height). Each poster should be in “standard glossy paper”.

Only 6 posters are being accepted with 1 author admitted to the conference free.

Dedicated poster discussion will be encouraged during all breaks. **All poster presenters** are responsible for their travel fees
